

Important Advisory by MoMA

Advisory -1:- Applications received from unrecognized and non-operational School / Institutions (as per the data of U-DIES / AISHE) , may be considered only if there is a change in the recognition/operational status of their School / Institute, since , the guidelines of 3 Scholarship Schemes stipulate that the scholarship will be awarded for studies in the Government or Private School including such residential Government Institute and eligible private institutes selected and notified in transparent manner by the State Government / UT Administration.

Advisory -2:- Applications for whom Aadhaar has not been validated on four parameters (Aadhaar Number , Aadhaar Name , Gender and Date of Birth) , may be considered after matching these details in the applicant's form with their Aadhaar, and in case any data incorrect in the application form or Aadhaar , they may be send such applications back to the student for the corrections by marking as 'defective'.
